**Attention Cub Scouts and Webelos!**

## **Come join us for a Deep Sea Sleepover at the Museum of Nature and Science!**

Do you know why sharks have 2 more senses than humans? Find out the answer to this and other fishy questions in this Deep Sea sleepover that won't leave you all wet. Exhibit scavenger hunt, Electric Theater stage show, and Sea Rex IMAX round out this night of discovery! Crafts, activities, snack and breakfast are all included in this new fun filled sleepover adventure.

February 11 –Boy Scout only night!

Scouts ages 6-12 are \$35 each and Adults are \$20 each
