

Help us test the Summit! This is an exciting opportunity for youth and adults to be among the first to camp at the Summit Bechtel Reserve and to play an important role in the final planning process for the 2013 National Scout Jamboree.

The purpose of the 2012 Summit Shakedown is to test various components of the new jamboree model on-site at the Summit with a manageable but meaningful number of staff and participants. The format will be a "long weekend," starting on Friday morning, July 13, and ending on Tuesday morning, July 17.

This would be a great opportunity for the youth leadership (Senior Patrol Leader, Patrol Leader, etc.) already planning to attend the Jamboree, to experience the Summit in advance of 2013.

Cost: \$6,000 per Scout troop (\$150 per person)
\$1,500 per Venturing patrol (\$150 per person)
\$150 per person for staff.
