8	Scout Show @The BallPark in Arlington
11	District Committee meeting
13	District Roundtable, 7 PM Umphress Road United Methodist Church

Fish and Fun Day

We would like for all the Cub Scouts, Boy Scouts and Venturing Crews to come out to the fishing and fun day. It will be a success and the boys; as well as parents, will have a great time. Bring your uncles, aunts, and cousins. There will be a chance to ride horses, shoot bows, and arrows, and participate in sports activities. Transportation will be provided at area elementary schools. Contact your unit leader for the times and locations.

Congratulations Once Again

Congratulations on a great job on scouting for food. The district was able to collect thousands of food items that went to the needy. In hard economic times like this; it is important that we remember those that are without. The scouts of Comanche district have help make an impact in our community. Thanks again on behalf of the food pantries of churches and the local food bank.

Getting ready for the Scout show – May 8

The Scout show is going to be more exciting than ever this year. This year the Scout Show will be held at Texas Ranger Ballpark in Arlington. We will have a chance to display what the scouts have been working on all year and also get a chance to watch the Rangers play. Look for more information at roundtable.

Day Camp Coming Soon

We are looking forward to a week of excitement for the cub scouts. We need help planning the program for our Day Camp. We need volunteers that can help as den leaders and instructors. Parents feel free to help. If you can volunteer or need more information please contact Tim Fuller at 214-902-6730.

Calling all Scouts, Calling all Scouts!!!

Boy Scouts come out for a week of adventure at our Summer Camp. This is a chance for scouts to earn advancements, develop friendships with other scouts, and have fun as well. We have a trained staff that offers a great program.
