All 3 crews being drawn for will depart the Council office on June 22nd arrive Philmont the morning of June 23rd. The crews return to Dallas the evening of July 5th. Each unit drawn will be responsible for paying for and filling its crew of 12 members. Estimated cost per individual is \$910. \$50 deposit per person (\$600 for crew) is due by 6/29. Units selected in the drawing will be notified on June 22nd. Again attendance is optional.

Units not selected will be placed on a waiting list. If units are looking for additional members or a crew does drop the units on the wait list will be contacted. In 2009 everyone on the wait list was contacted.
